A CONSTELLATION OF TERRITORIES

● BARONNIE DE KAMOURASKA

Perched in the Appalachian Mountains. From its peaks, the unmatched views on St. Lawrence River, Maine and the Lac de l'Est open before you. Its exclusive territory remains a mixed, old-growth, forest daubed with shimmering fall colors, inhabited by an impressive diversity of wildlife (moose, black bears, lynx and golden eagles). Birders and mushroom lovers welcomed!

Experiences: ethical hunting, sustainable fishing, ecotourism and vacationing.

● LA CORNEILLE

From our sheltered and private peninsula, a truly and peaceful haven, your gaze will cast out to sea, to the islands of the Mingan archipelago and the occasional passing whale. In the same day you can explore the sea, take in the gastronomy of the land, and head up a still pristine river in search of the sovereign of its waters.

Experiences: sustainable fishing of the Atlantic salmon, ecotourism and Innu traditions.

● CHÂTEAU JOHAN-BEETZ

An overlap of the boreal backcountry and the cultures of the Mingan region. Three rivers, two of which are exclusive, where the Atlantic salmon is king. A landscape fashioned by the sea, peatlands adorned in berries and wild plants. Impetuous waterfalls. An archipelago of islets where getting lost draws you deeper into the heart of the community.

Experiences: sustainable fishing of the Atlantic salmon, ecotourism and vacationing.

RAPID LAKE LODGE ● & CAMP BARNOIN

A subarctic oasis situated in the heart of Nunavik's tundra. It is illuminated by the Northern Lights, traversed by our famous rivers, and situated near the most sensational attractions of Quebec's Great North. A trip for explorers of the Great North and for anglers questing for the Grail.

Experiences: sustainable fishing for Arctic char, exploration safaris of the marvelous Gold Peninsula, Inuit culture, polar bear observation.

LAC VICTOR ●

Only accessible by portage or floatplane, this exclusive site melts into the wild backdrop of the Minganie's old-growth boreal forest. This northern ecosystem reveals an immense landscape of thirty-four wild lakes and seven rivers. This is the paradise of the fresh water salmon. A trip that will quench even the deepest thirst for adventure.

Experiences: Innu culture, sustainable fishing for fresh water salmon, ecotourism (either in settled or nomadic modes).

EXPERIENCES ROOTED IN THE TRADITIONS OF THE NORTH

● CHASSE ÉTHIQUE

Live in symbiosis with the land and millennial traditions. The land welcomes us and feeds us. Our approach to conservation and our wildlife policy authorizes only the necessary. Thus, we welcome only small and privileged groups of hunters. We are committed to using all parts of the animal.

● SUSTAINABLE FISHING

Are you dreaming of an exhilarating fishing trip? Atlantic salmon, fresh water salmon, Arctic char, speckled trout, lake trout, sea trout, northern pike make up the richness of the exclusive lakes and rivers of Caraïbes Nordiques. We are proud of the quality of our fishing endowment that has been preserved by limited access. Whether you are a fly-fisher or an angler, a beginner or an expert, come and share our passion for a sustainable and responsible form of sport fishing in the company of our committed and experienced guides.

Each trip into the Caraïbes Nordiques is an invitation to discover all the colors, cultures and flavors of our territories. Fine-dining, well-being, and cultural discovery are all part of each of our experiences, alongside sharing, hospitality and the art of taking your time.

● ADVENTURE & ECOTOURISM

The expanse, diversity and beauty of our territories are an invitation to adventure, exploration and meditation in a spirit of liberty and celebration. The feeling of discovery is only deepened when it is shared by First Nations people who have known this land for millennia. Follow in the footsteps of the Innu or of the coureurs des bois. Or choose the rustic luxury of a more sedentary visit amongst the people of the North Shore dwellers. Hiking, canoeing, wildlife observation, nature interpretation, traditional fishing, fine-cuisine or nomadic cuisine, cultural exchange – all of these mark a beat of our experiences.

SUSTAINABLE FISHING EXPERIENCES

On the Rapids of Nunavik

Rapid Lake Lodge & Camp Barnoin

Package starting from 6 nights

A fishing trip that transports the fly-fisher into the pioneering legends of the Great North. The adventure begins with the flight from Kuujuaq to Rapid Lake Lodge. The subarctic tundra opens up, crossed by mythical rivers such as the Tunulic, Baudoncourt and Sapukkait. Here the Arctic char steals the limelight from the Atlantic salmon and all our other species. An unforgettable week of fishing on the millennial territories of the Inuits and feeding polar bears, all lit up by the Northern Lights. A trip that will change you forever.

On the Rapids of Minganie

La Corneille & Château Johan-Beetz

Package starting from 3 nights

Three beautiful and exclusive salmon rivers of the Minganie await you: the Corneille, the Piashti, and the Petite Watshishou. They are brimming with sea trout, speckled trout, fresh water salmon and Arctic char. Our experienced guides, our maritime landscapes, and our North Coast menus come together for a dramatic change of scene. There only remains for you to choose where you want to stay. Will it be a 5-star cottages on an island, or in the "castle"?

The Paradise of Lakes and Salmonids

Lac Victor

Package starting from 3 nights

This is the paradise of fresh water salmon. Arctic char, lake trout and speckled trout, and you're invited for the adventure. Lac Victor is here for those anglers who favor sustainable fishing, a responsible and ethical management of stocks, and native species that are remarkably combative. Are you ready to escape into the depths of the boreal forest? To celebrate around a delicious table? To dream of our more than twenty unexplored lakes or of exploring our pristine rivers?

ETHICAL HUNTING EXPERIENCES

On the trail of the moose

Baronnie de Kamouraska

Your hunting experience in the Appalachians will unfold at the Baronnie de Kamouraska. This renowned territory, well conserved and full of game, is nestled in mountains covered in old-growth forests. Moose hunting here follows the lineage of the Québécois tradition, with respect for strict game management codes and an ethic shared by our guests.

Package starting from 6 nights

Living on the land in the Nitassinan

Nitassinan

This Innu adventure unfolds along their portages and millennial hunting territories. You are both a guest and a partner in this life. Coming together in this way means sharing food, traditions, mysteries, and knowledge around the fire. It translates into a collaboration so that, at the end of the journey, the game will abound and thus support the community. This is an invitation to a unique experience in a Northern camp, a celebration of the animals and a meeting of peoples.

Package starting from 7 nights

On the footsteps of the Coureurs des bois

Lac Victor

Choose the 4-star log cabins set on a beach overlooking the exclusive hunting territory of Lac Victor. 251 km² of lakes and rivers that mirror the virgin boreal forest at dusk. The experience braids the different knowledges, traditions and life-ways that the North Shore dwellers and Innu have shared over the last centuries. We pursue that same journey in this adventure, the one where friends can gather around a meal that thanks both the animal and abundance of a protected nature.

Package starting from 7 nights

ADVENTURE AND ECOTOURISM EXPERIENCES

A journey of initiation in the Nitassinan and the Minganie

Discover the cultures and landscapes that have forged the soul of this fascinating region. This land is sea-folk, nomads, and coureurs des bois is still little known. Be the guests of the Innus and the North Shore dwellers. Share their daily lives, learn their traditions, enjoy their cuisine, explore their territory, and celebrate together. What if your trip contributed to a much-hoped for reconciliation around a common territory?

Are you more relaxation or action? Estuary or forest? We offer two journeys through the boreal that share a common way to live this experience.

The path to the estuary

Package 7 nights

La Corneille & Château Johan-Beetz

The **Minganie** will no longer have any secrets for you. Traditional innu activities, cruising the islands of the Mingan archipelago, canoeing its rivers, local encounters, walks, resting, 5-star cottages on the peninsula of the Mingan archipelago. It's a sojourn marked by comfort, relaxation, and a gentle adventure.

The forest path

Package 7 nights

La Corneille, Château Johan-Beetz & Lac Victor

The **Nitassinan** awaits! After a deep breath of sea-air on the coast, you will enter the vast territory of the Lac Victor, travelling along the ancestral territories of the Innu. It is an immersion in their nomadic traditions, in the heart of the boreal forest. You will learn how to become a partner of this fascinating nature with those who have lived so long in symbiosis with her. Here is an adventure that will delight lovers of outdoor pursuits and deep changes in scene. A bit of adrenalin mixed with meditation and shared laughter.

VACATION EXPERIENCES

Lac Victor vacation

Don't miss this opportunity to stay in a four-star log cabin or in an Innu camp on a sandy beach in the heart of the boreal forest of the North Coast. Live the adventure of the portage to reach this territory of lakes and rivers, or take a floatplane and admire it from the air. An escape vacation that can be an exceptional way to finish your discovery of the region.

Baie-Johan-Beetz vacation

Make a stop in the welcoming village of Baie-Johan-Beetz to savor the beauty of the Minganie region. When you stay in the château Johan-Beetz, a manor-house that faces the St. Lawrence River, you will be sharing in the history of this community. Unless, of course, you would rather a deluxe retreat on the peninsula of the Mingan archipelago in a 5-star cottages.

Baronnie de Kamouraska vacation

Come and replenish with your family, or amongst friends, in the heart of the Appalachian Mountains an hour and a half from Quebec City.
